

# ***International Symposium on Organic Chemistry***

**December 9-12, 2006, Sofia**

**<http://organic2006.innoslab.com>**

The symposium is supported by  
the Alexander von Humboldt Foundation and the Stability Pact for South Eastern Europe

## **Scope**

The symposium is intended to cover large variety of Organic Chemistry problems as synthesis, natural products, relations to biochemical, pharmaceutical and medical problems, coordination compounds, various spectral techniques, computational modeling and design, investigation of reactivity, reaction mechanism, catalysis, hi-tech applications, etc.

## **Invited speakers**

**Alfred Maelicke**, USA and Germany  
**Andrija Smelcerovic**, Dortmund, Germany  
**Athanassios Giannis**, Leipzig, Germany  
**Christian Griesinger**, Göttingen, Germany  
**Fernando López Ortiz**, Almería, Spain  
**Ivo Ivanov**, Sofia, Bulgaria  
**Mariana Palamareva**, Sofia, Bulgaria  
**Mihail Lucian Birsa**, Iasi, Romania  
**Radomir Saicic**, Belgrade, Serbia  
**Tzonka Mineva**, Bulgaria and France  
**Tamara Pajpanova and Evgeny Golovinsky**, Sofia, Bulgaria  
**Vladimir Dimitrov**, Sofia, Bulgaria

## **Registration fee (in Euro)**

Regular	220
Reduced (for students)	90
Industry	310

Thanks to the support of the Alexander von Humboldt Foundation and the Stability Pact, grants for participation in the symposium for scientists and PhD students from academic institutions of the countries supported by the Stability Pact for South Eastern Europe are available.

## **Important dates**

**October 30, 2006:** Deadline for abstracts for oral and poster contributions

**November 5, 2006:** Notification for acceptance

**December 9-12, 2006:** Symposium

## **Call for Papers**

The participants are invited to submit abstracts for oral or poster presentations at the symposium directed to the scope of the meeting. One-page abstract should be submitted electronically as MS Word file in doc or rtf format to the following e-mail address:

**[organic2006@innoslab.com](mailto:organic2006@innoslab.com)**

The working language of the symposium will be English.

## **Contact details**

Additional information about symposium is provided on the symposium web site

**<http://organic2006.innoslab.com>**

or via the symposium e-mail address

**[organic2006@innoslab.com](mailto:organic2006@innoslab.com)**

## **Organizers**

**Georgi Vayssilov**
