PETROCHEMICAL COMPANY

Fahad S. Al Matrafi, Operations GM

Advanced - 2 Years of Successfully Meeting
Client's Product Needs in Challenging Time

PETRO RABIGH

Adeib Jafari, Marketing and Sales Manager

The Unique Contribution of the Petro
Rabigh Company

SAUDI ARAMCO

Ahmed Bashaweih, Senior Project Manager

Value Addition in Downstream Conversion
Industries, Saudi Aramco Experience in
Rabigh PlusTech Park

INEOS

Peter Steylaerts, Market Manager LAO &
PAO Europe, Middle East, Africa & Asia Sales
Manager Ineos Oligomers Asia

PE Co-Monomer Market and Supply
Dynamics-Advantages of Process Flexibility

12:50 p.m. Group Panel Discussion

1:20 p.m. Luncheon

2:30 p.m. Polymer Technology Developments

IMPACT SOLUTIONS

Richard Tomanek, Managing Director,
MENA Region

Achieving World Class Competitiveness in
Manufacturing Through People, Smart™
Tools and Smart™ Systems

CHEMTURA

Wolfram Uzick, Senior Technology Manager

AlZamil - Chemtura - GSI: A Strong
Commitment to the Middle East Polyolefin
Industry - Supply Security for Innovative
Catalyst Systems

2:30 p.m. Continued on next page...

2:30 p.m. Polymer Technology Developments continued

AKZO NOBEL

Bart Fischer, Development Manager and
Atef Labib Gomaa, Technical Service and QA
Manager, Oriental Petrochemicals Company

Controlled Rheology Polypropylene; Process,
Product and Cost Improvement.

ALBEMARLE MIDDLE EAST FZE

Mohammad Sabri, Business Development
Manager

Albermarle's New World Scale
Organometallics JV in Saudi Arabia:
Strategically Meeting the ME
Petrochemicals Growth

3:50 p.m. Group Panel Discussion

4:20 p.m. Coffee/Tea Break

7:30 p.m. Dinner Reception: Crowne Plaza Hotel, Dubai

Tuesday, March 23, 2010

8:30 a.m. Packaging Applications/Products

POLYPLEX CORPORATION LTD.

Ranjit Singh, Director & COO

BOPET Industry: Recent Developments

FUJAIH PLASTIC FACTORY

Khalid Khalifa Mattar Al Kaabi, General
Manager

Experience in Biodegradable Bags in UAE

HORIZON TECHNOLOGIES FZE

Rajnish Sinha, General Manager

Quality Recycling of PET – Today's
Global Need

BASF

Niall Marshall, Technical Manager, MEA

The Art and Science of Fibres: How Additives
Bring Value

9:50 a.m. Group Panel Discussion

10:20 a.m. Coffee/Tea Break

11:20 a.m. Pipe Markets/Applications

HARRIMAN CHEMSULT

Stephen Harriman, Founder

Overview of Global PVC Markets from a
Middle East Perspective

MOLECOR

Ignacio Muñoz de Juan, CEO

Molecor brings you PVC-O Pipes: The Most
Ecological and Profitable Solution for Water
Transportation

WAVIN OVERSEAS B.V.

Roel Marissen,
Area Marketing and Sales Manager

Biaxially Orientated PVC (PVC-O): World's
Most Economic Pipe System for Pressure
Applications

12:20 p.m. Group Panel Discussion

12:50 p.m. Luncheon

2:00 p.m. Polymer Additives & Compounds

IMI FABI S.P.A.

Piero Ercoli, Development Manager

Micronized Talc: A Cost Effective Functional
Filler for Polyolefins

W.R. GRACE & CO.

Stephen Lynch, General Sales Manager

Advanced Antiblock Technologies: A Silica–
Based Antiblocking Aid with Improved
Dispersibilities

CHEMTURA

Anas Nowarah, Sales Manager, Gulf
Stabilizers Industries (GSI)
